Implement Sustainability
AGENDA

I. Introduction

II. Too Easy

III. Manage Power

IV. Landscape Management

V. Rebates

VI. Goals

VII. Q & A
Intro
Too Easy

• Re-lamp
  – 28 watts vice 32 watts
  – ~$2.50 per lamp

• Bag Belt System
  – Time is money

• Photo eyes, timers, vending misers
Opportunity

New vs. Old
Manage Power

• Schedules
“Think outside the box”

• What???
Landscape Management

- Mowing practices
- Meadow planting
Rebate Programs

- MN Power
  - Energy Management Solutions
  - Energy Audit
  - $19,000 in past 5 years
In Process or Planned

• Geo Thermal
• Solar
• Gate Electrification
Goals

• My Experience
  – Reduce labor
  – Reduce utility expenses
• 10914 KW savings at ATCF
• Remember reducing watts does not mean less light output (Lumens)
• Stay the course, be proactive, continuing education
Q & A
